Let's Talk

## YOUR TRUSTED PARTNER FOR HIGH-QUALITY KNITWEAR MANUFACTURING

We comply with the most stringent standards for quality, sustainability, and ethics

1. On-site medical support and comprehensive health programs for employees.
2. 100% COVID-19 vaccination of our workforce.

1. Scholarships for workers' children and on-site childcare facilities.
2. Vocational training programs to upskill employees.
3. Exclusive partnership with BRAC University

1. Safe water practices through an advanced Effluent Treatment Plant (ETP).
2. Rainwater harvesting and water recycling initiatives.
3. 20% water savings in dyeing processes

1. Reduced energy and water usage through efficient technologies.
2. Circular economy initiatives, including the use of CYCLO® and Recover™ fibers.
3. Rooftop solar energy installation
